

How to Add Flags to a Guide

This guide demonstrates how to add flags to a guide.

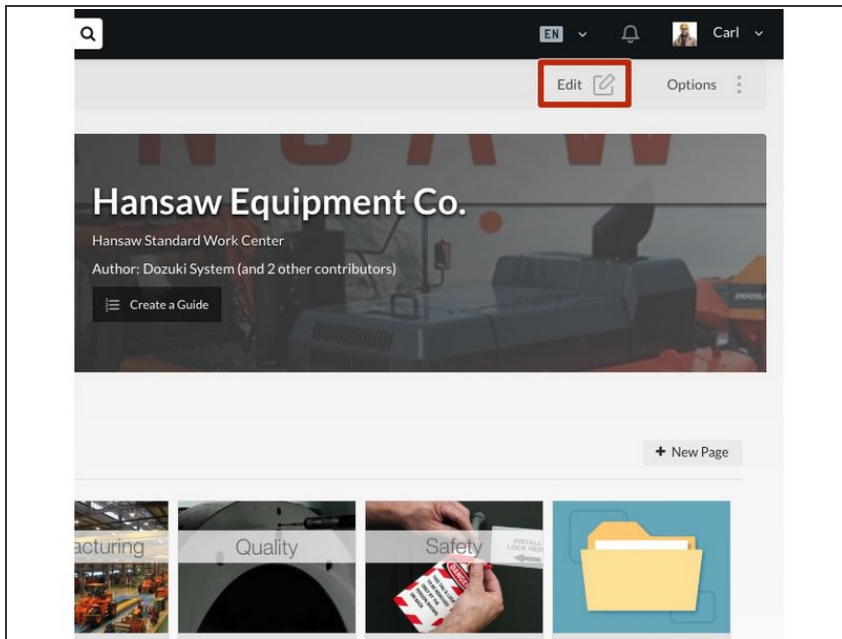

Written By: Dozuki System

INTRODUCTION

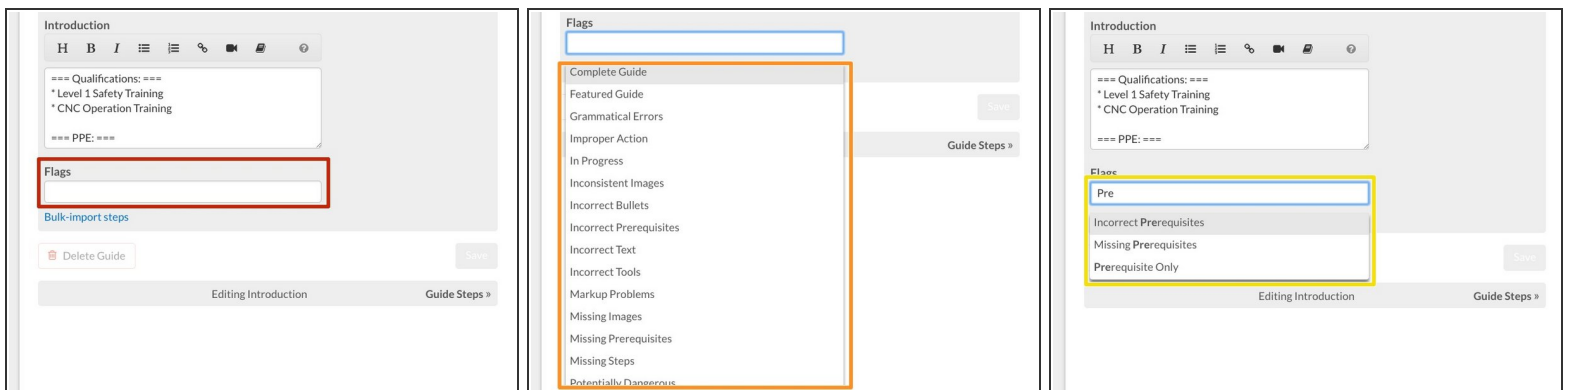

This guide demonstrates how to add flags to a guide.

Step 1 — Edit Guide

- Navigate to the guide to which you want add a flag.
- Click **Edit** in the top-right of the page, beneath the site header.

Step 2 — Add a Flag

- Click inside the **Flags** field near the bottom of the Introduction page.
- Select a **Flag** from the drop-down menu.
- You can also type the title of the flag you need to narrow down the list.

Step 3 — Save Added Flags
