

How to Check Notifications

This guide demonstrates where to locate and how to check your notifications on your Dozuki site.

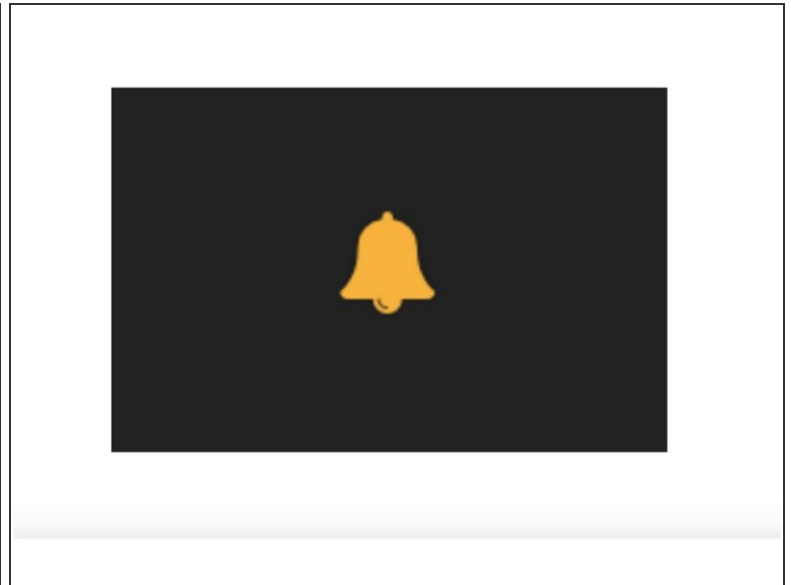

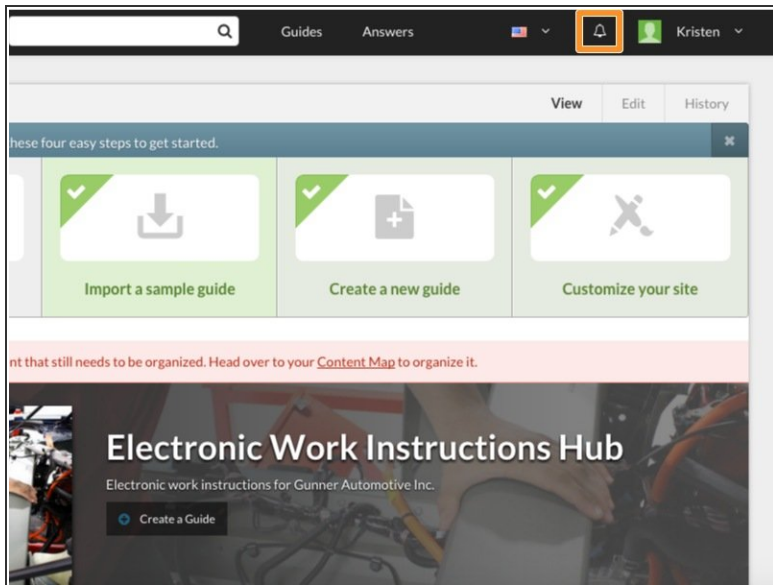

Written By: Dozuki System

INTRODUCTION

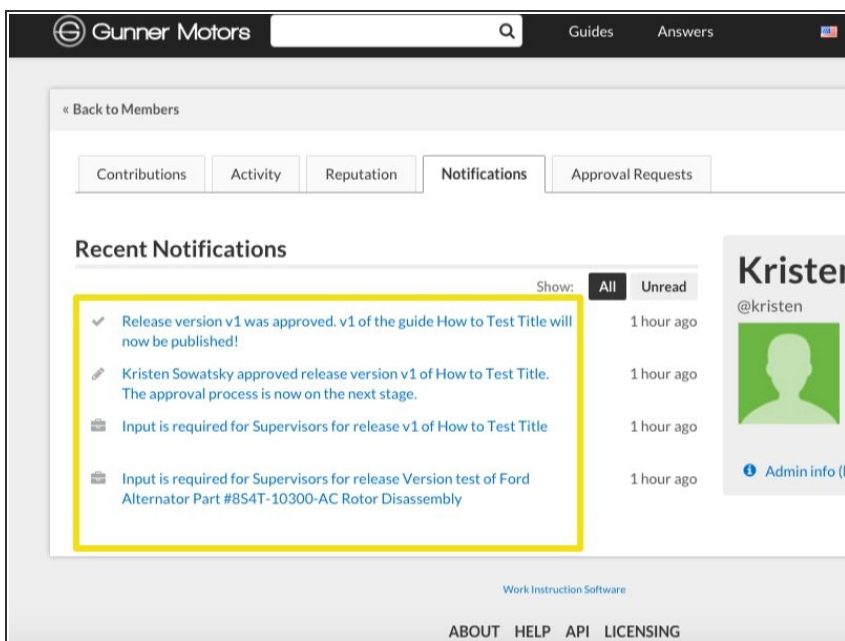

This guide demonstrates where to locate and how to check your notifications on your Dozuki site.

Step 1 — Locating "Notifications"

- Find the **bell icon** in the top right corner.
- ⓘ If the bell icon is **yellow**, you have unread notifications.

Step 2 — View your Notifications

- Click on the bell icon. This will take you to your **notification page** where you can view and manage all of your alerts.
- ⓘ If you click on a notification, it will take you to the page that requires your attention.
