# How to View Guides Offline Using the Dozuki iOS App

This guide demonstrates how to view a guide offline using the Dozuki iOS app.

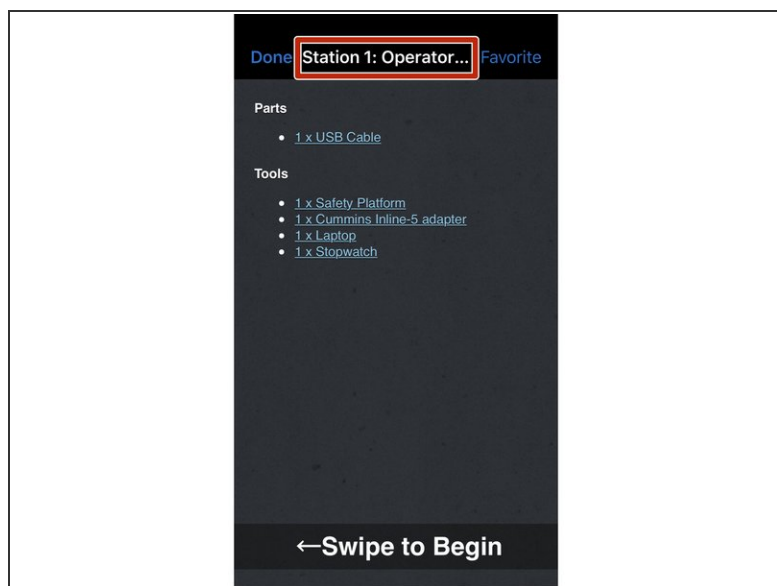

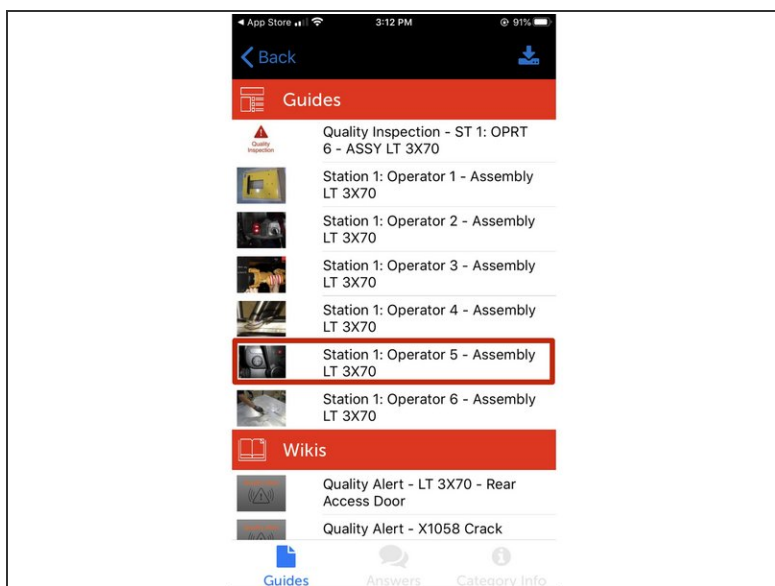

Written By: Dozuki System

## **INTRODUCTION**

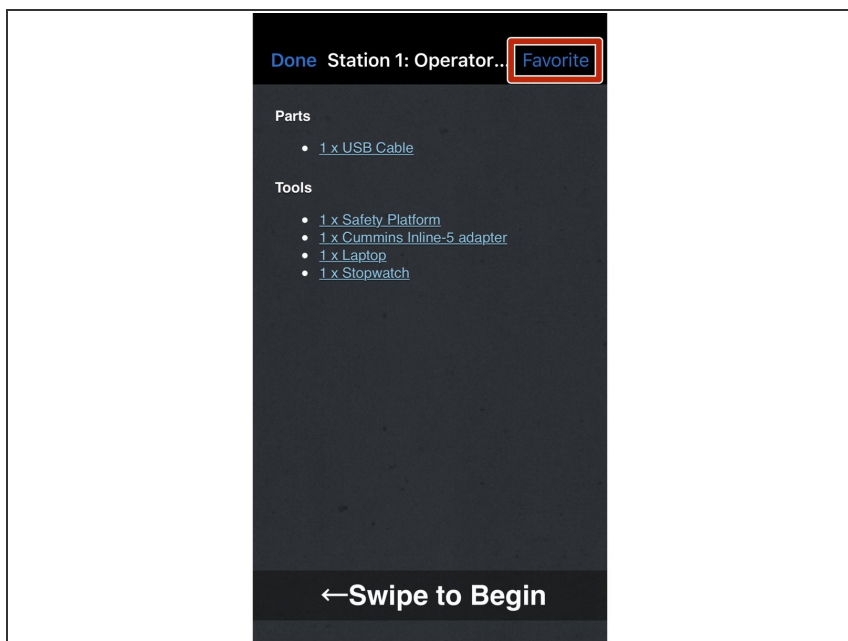

This guide demonstrates how to view a guide offline using the Dozuki iOS app.

## Step 1 — How to View Guides Offline Using the Dozuki iOS App

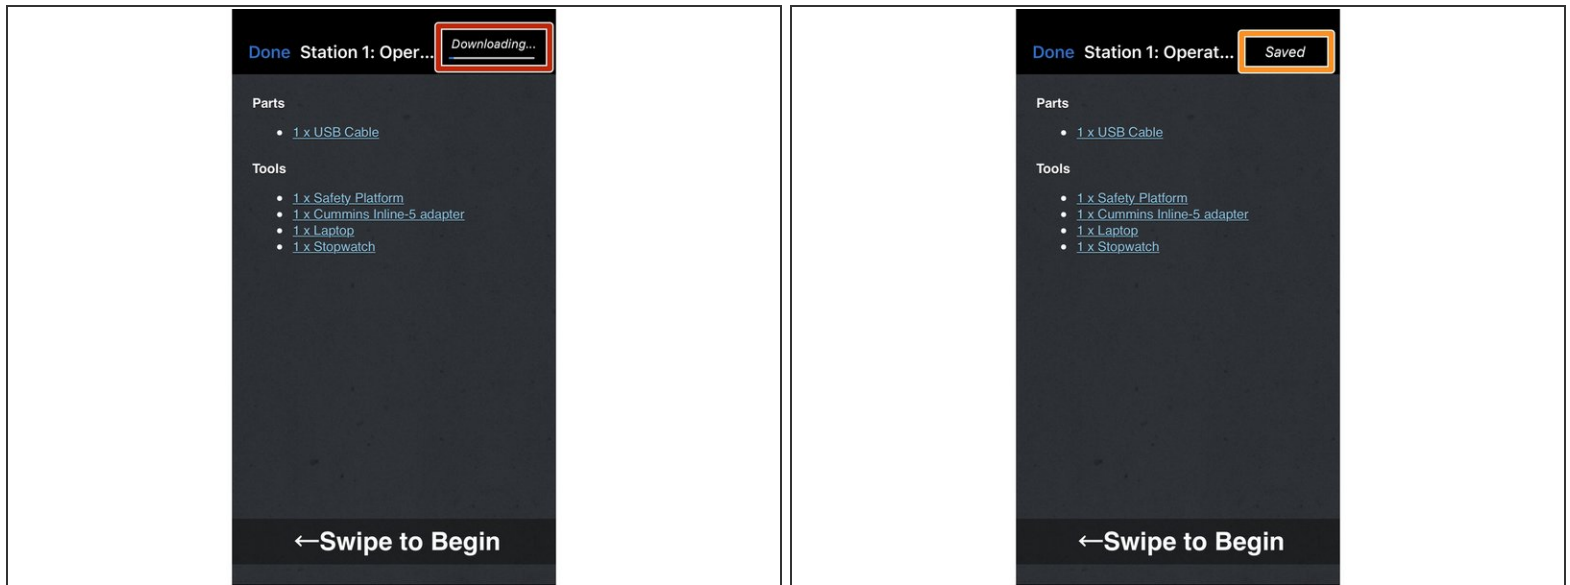

- View the guide you want to save for offline viewing on the Dozuki iOS app.

## Step 2

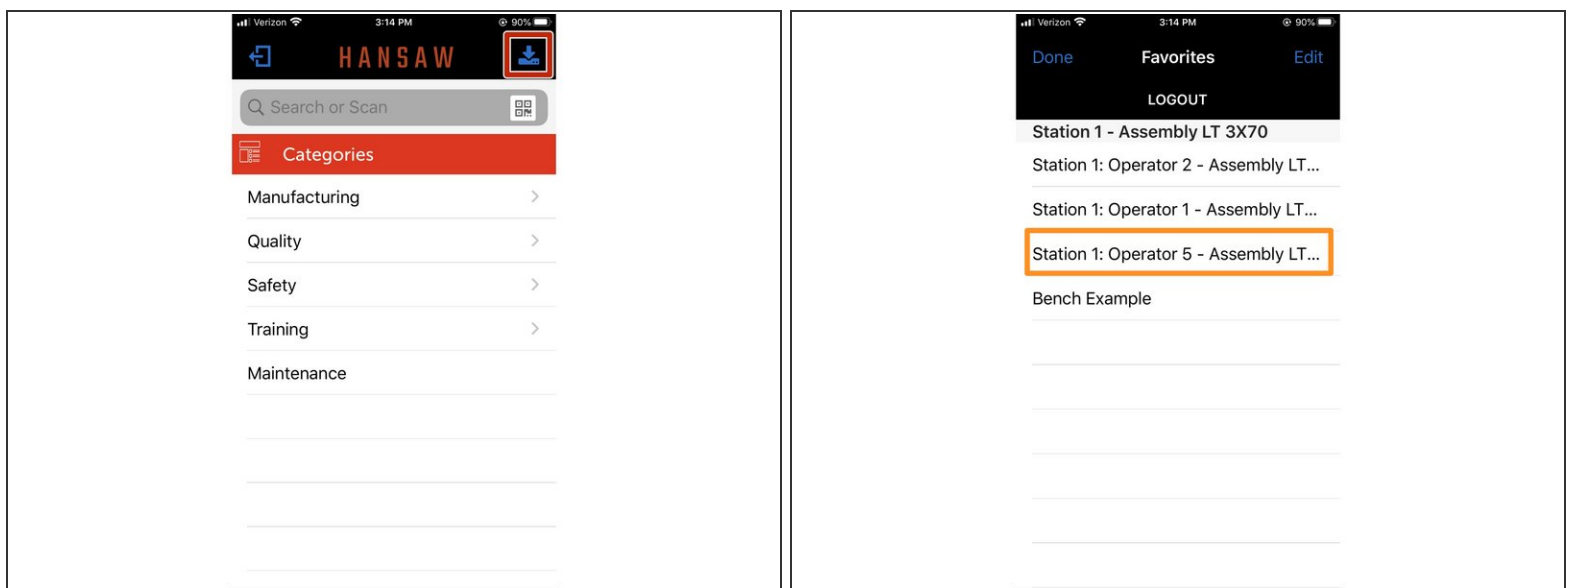

- Tap **Favorite** in the top-right corner.

### Step 3

- Wait for your guide to download.
- When the download is completed, it will say *Saved* in the top-right corner.

### Step 4

- Return to the home page and tap the icon in the top-right corner.
- You will see your favorited guide, and it is now available for offline viewing!
