- If you entered your credentials incorrectly you will be directed to this page.
- If you do not remember your username or password, click on the [Forgotten your username or password?](#) link.
- On the page that loads enter either your username or email address and press Search. The website will send an email to the email address on file with a password reset.
- ① Usernames are always in the firstname.lastname format. The email address on file is most likely your school district email address.

Step 3 — New teacher?
