

# Download Reports

Follow these quick and easy steps to download and share your reports.

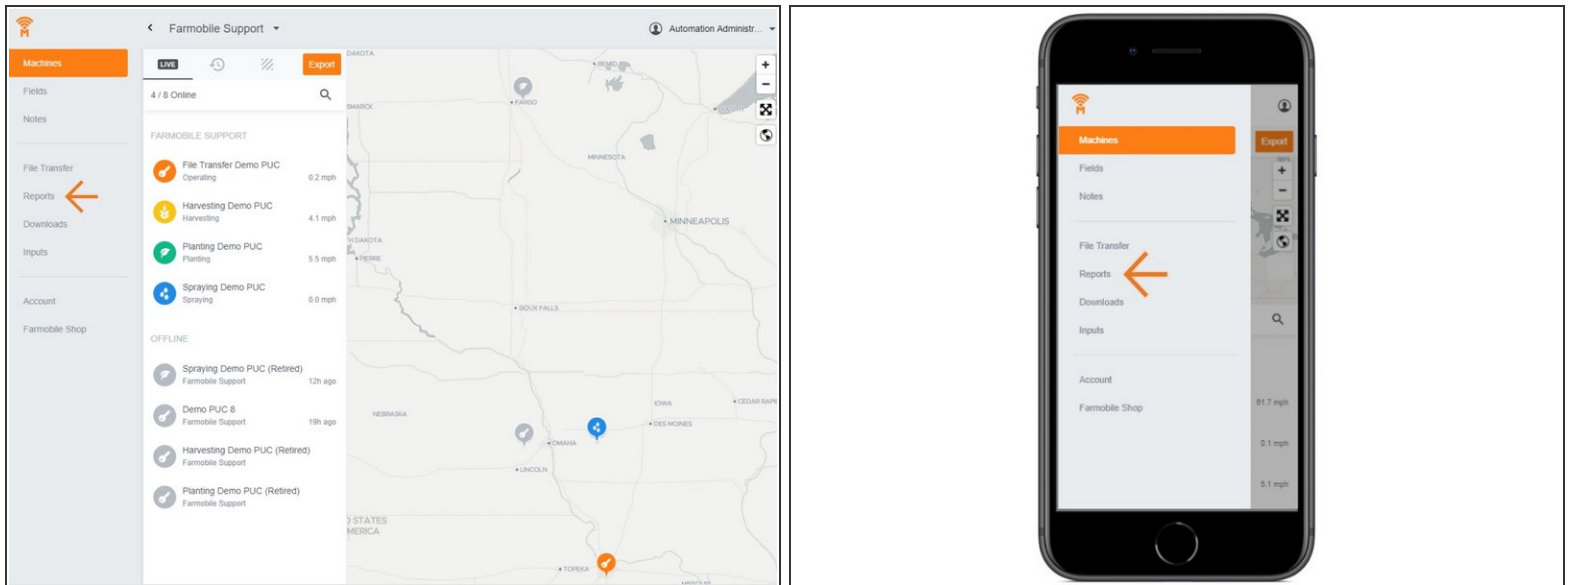

Written By: Support

## INTRODUCTION

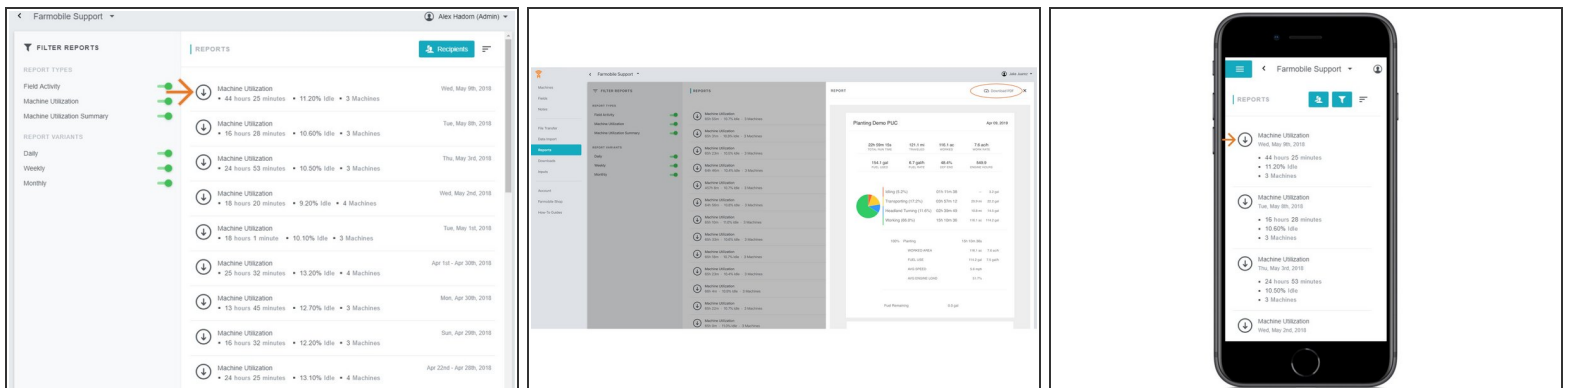

- Reports are generated based on your activity. You can Download your daily, weekly, and monthly reports from Farmobile DataEngine<sup>SM</sup> platform by following these simple steps to share with your trusted advisors.

## Step 1 — Select Reports from the Farmobile DataEngine<sup>SM</sup> Platform

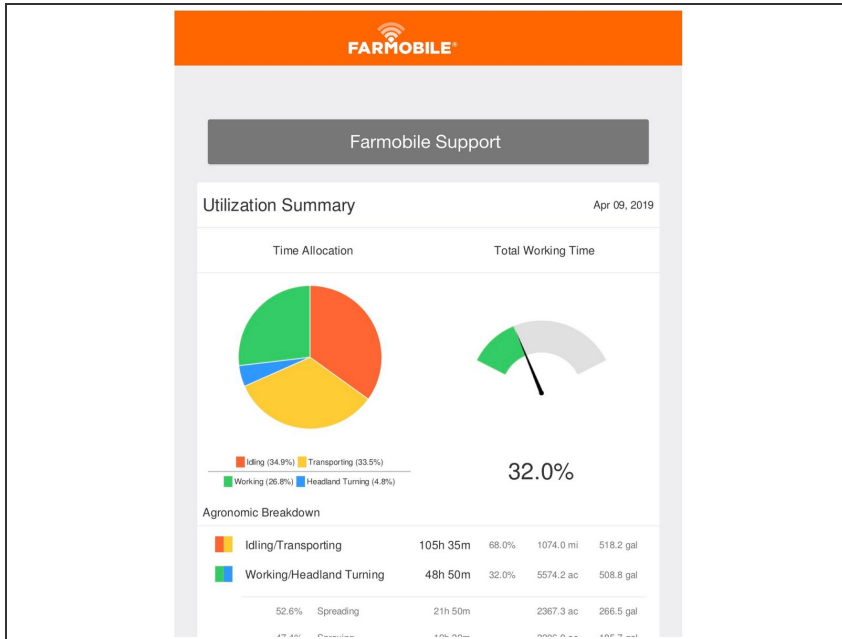

- Selecting Reports from the Farmobile DataEngine platform menu will open the Reports page with all of your reports listed to review.

## Step 2 — Select Download

- The download arrow is located to the left of each 'Report' name.
- The download button will begin to spin as the report is being downloaded into a PDF.
- Once the download is complete, the PDF will open directly in your browser.
- **Bonus:** While viewing your report, you have the option to select 'Download PDF' to download your report as well.

## Step 3 — Enjoy your PDF Report

- Your PDF file is now available for you to review, save, and share.
